New Venice Office is Now Open

Farr Law Firm announces a new Venice office in Jacaranda Office Park to better serve local Southwest Florida communities.

PUNTA GORDA – February 18, 2015 – Farr Law Firm is pleased to announce the opening of a new Venice office at 4130 Woodmere Park Blvd. #12, Venice, Florida 34293. It is conveniently located between Venice and Englewood in the Jacaranda Office Park near the corner of US 41 and Jacaranda Blvd.

The new location is a consolidation of our longstanding Englewood office on Indiana Avenue and the downtown Venice space on Nokomis Avenue attained through last year’s acquisition of Ann Thompson’s estate planning practice. This is an opportunity to establish a prime location in Sarasota County and serve the surrounding communities.

“We are excited about this new location that will allow us to conveniently serve clients in the Englewood, Venice, North Port and South Sarasota County areas,” said firm president David A. Holmes.

From the new office our firm will provide a broad range of legal services including estate planning, trusts, probate, wills, real estate, asset protection, personal injury and family law. Since 1924 the firm has taken the responsibility of caring for each client seriously and assures every matter receives the individual respect and attention it deserves.
